

## Battlefield Junior Wagoner to Play Soccer at Iona College

Haymarket, Va. (January 11, 2012) – Alexa Wagoner, a junior at Battlefield High School, has verbally committed to play soccer at Iona College in 2013.

Wagoner, a midfielder, earned first team All-District and first team All-Area honors in 2011. A starting player for Battlefield since her freshman year, she helped lead the Bobcats to district and regional titles and a berth in the state semi-finals in 2011.

Wagoner is also the starting defensive midfielder on the nationally-ranked VSA Heat club soccer team. She considered James Madison, Richmond, Stony Brook and Loyola of Chicago before choosing Iona.

“After visiting many different schools, I knew Iona was the right choice for me. It has a beautiful campus, great academic programs, wonderful people and an up and coming soccer program,” said Wagoner. “I am looking forward to playing for Coach Barroqueiro and helping him build a winning program and contributing to the success of the Gaels.”
